

Musixmatch

Provides:

This API provides information about songs, including lyrics

Key Provisioning:

Pain factor (*0=easy...5=nightmare*): 

- Create a Musixmatch account at <https://developer.musixmatch.com/signup>
- Go to your account screen and click the dashboard tab, and then click the applications tab.
- You should be able to see an API key listed next to your application in a table.

Quotas:

- Limited to 2000 API calls per day
-

The Good:

- Extensive documentation at <https://developer.musixmatch.com/documentation/api-methods>

The Bad:

- Asks for your phone number on signing up.
- The free plan only allows access to 30% of a song's lyrics
- The free plan is for "evaluation only"

The Ugly:

- Seems to be stingy on providing correct copyright and acknowledgment
